**Ice Cream, Coffee, Breakfast & Lunch**

**WE DELIVER!!!!**

*A Charleston Tradition for 27 years!*

Wholly Cow® ice creams promise the freshest, most flavorful ingredients in every recipe. Our ice creams contain ultra-rich butterfat and secret "handmade" recipes that greatly minimize air content, thus creating an incredibly smooth, rich and creamy texture.

Our coffee is locally roasted and the coffee beans are sourced from Africa, Indonesia, Central and South America. We offer handpicked Arabica coffees grown at high elevations that are properly sized, sorted, sun dried, and are Grade A selection. USDA certified organic roaster.

Specializing in fresh, made-to-order breakfast and lunch sandwiches, salads, soups and more. Be sure to ask about our daily specials and our signature WHOLLY MACARONI!
